Hello Stephanie -- sorry for the late reply. Neither Audit or Investigation has anything regarding them. Thanks, Ex. 6, 7F

Hi Ex. 6, 7F,

We've gotten a FOIA request about a project site for a ServeOhio formula grantee. I'm checking around to see where we would have any records related to the project site, called Healthy Moms and Babes. (It seems likely there are none, since they're neither a grantee nor subgrantee, but I wanted to be sure).

I don't see anything about Healthy Moms and Babes in your published audit reports on your website, but wanted to double check with you. I did see an old ServeOhio hotline issue that was resolved, but it didn't involve the project site at issue here.

Can you let me know if you do have anything? If so, I'll send you a copy of the request for you to respond to directly.

If you can let me know in the next few days, that would be great.

Thanks,  
Stephanie
